

PremiumPLUS

Service Kit Version 2020

122-687 | 122-688 | 122-689

 **Scrap** - use new part from Service Kit.

 **Reuse** - the existing part should be reused.

If your PremiumPLUS regulator contains this part it should be reused (Production date before the 15th January 2020 - see next page).

Production date and serial no.

On the side of your PremiumPLUS regulator you can find the serial (12 digits) and part no. The unique serial no. is created from the date it is produced: year, month, day, hour, minute and second (YYMMDDhhmmss).

SCAN THE QR CODE TO SEE IN DETAILS HOW TO CHANGE THE SERVICE KIT
